EVENT FORMAT

B2B MEETINGS

BCI Aerospace pre-arranges meetings for supply chain, procurement, engineering fabrication teams to meet with contract manufacturers all prior to the event.

SPEED NETWORKING SERVICES

Speed Networking Service is real time saver and a great tool for any industry professional. An effective way to meet the right contractors/suppliers in short 15 minute sessions.

SUPPLY CHAIN CONFERENCES

An excellent opportunity for professionals to share experiences and better comprehend the market scientific, industrial, technical and commercial developments.

B2B MEETINGS

in 5 steps

► 1. PROFILE UPDATE

Fill out a short form and provide descriptions of your capabilities, applications and requirements.

► 2. PLATFORM ACCESS

Access detailed profiles of our attendees via the online catalogue (3 weeks prior to the show).

► 3. MEETING REQUESTS

Identify and request meetings with relevant contacts through our user friendly program.

► 4. VALIDATION

Validate meeting requests made by other companies (for decision makers).

► 5. CHECK YOUR AGENDA

Consult your online schedule of pre-planned meetings with the contacts of your choice, a few days before the official opening.

WHO CAN ATTEND

► DECISION MAKERS/CONTRACTORS

Any professional attending Paris Air Show looking for either suppliers or potential partners. Supply chain, procurement & technical professionals as well as contract manufacturers seeking new business partners and suppliers and looking to find the right person for their requirements and capabilities.

► EXHIBITORS AT PARIS AIR SHOW

Any company exhibiting at Paris Air Show. The program is especially adapted to SMEs looking for contractors. The main advantage of this service being that participants receive pre-arranged meetings with business partners: ideal occasion to identify future commercial partners and to meet buyers.
