Organized by

 BCI AEROSPACE

In partnership with

The official B2B service of Paris Air Show!

Aerospace Meetings Paris is an outstanding tool to save time and meet the contacts you want to see at Paris Air Show!

It gives you the possibility to easily meet the biggest procurement players from the field of aeronautics and aerospace in a B2B setting.

B2B MEETINGS SERVICE

BCI Aerospace, the organizer of Aeromart events, has proved its expertise in providing a top-quality business meetings service at the previous editions of the Paris Air Show.

Engineering, procurement, supply chain, fabrication, commodity teams, suppliers and service providers will meet through pre-arranged B2B meetings.

CONFERENCE SESSIONS

The conference program offers a unique opportunity to find out about the buying policies of large groups and to join the debate. This edition will focus on OEMs procurement and supply chain policies and strategies for sustainable aviation.

B2B Meetings

IN 5 STEPS

1. **Profil update**
Fill out a short form and provide descriptions of your capabilities, applications and requirements.
2. **Platform access**
Access detailed profiles of our attendees via the online catalogue (3 weeks prior to the show).
3. **Meetings requests**
Identify and request meetings with relevant contacts through our user friendly program.
4. **Validation**
Validate meeting requests made by other companies (for decision makers).
5. **Receive your agenda**
Access and consult your online schedule of pre-planned meetings with the contacts of your choice, a few days before the official opening.

Who can attend

DECISION MAKERS / CONTRACTORS

Any professional attending Paris Air Show looking for either suppliers or potential partners.

Supply chain, procurement & technical professionals as well as contract manufacturers seeking new business partners and suppliers and looking to find the right person for their requirements and capabilities.

EXHIBITORS AT PARIS AIR SHOW

Any company exhibiting at Paris Air Show. The program is especially adapted to SMEs looking for contractors. The main advantage of this service being that participants receive pre-arranged meetings with business partners: ideal occasion to identify future commercial partners and to meet buyers.
